DESCRIPTION:

"Jesus Culture Awakening: Live From Chicago" reveals the significance that took place at Jesus Culture's first arena gathering. A generation was marked by the power and presence of God during this 3-day event as believers joined together to passionately worship Jesus. As a ministry, Jesus Culture wanted to capture the sound of a generation giving themselves wholeheartedly to Jesus.

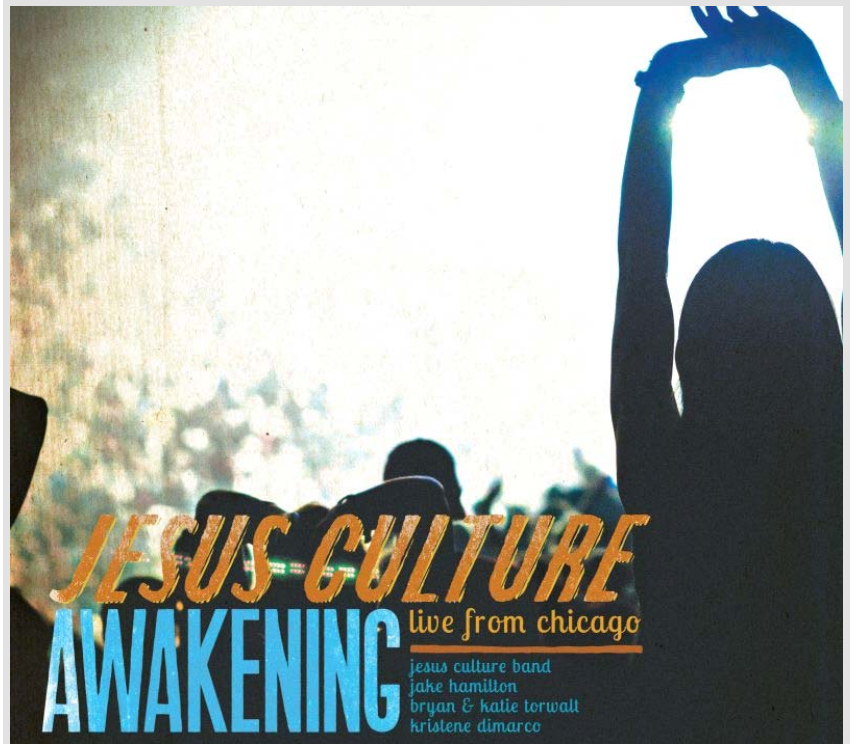

This 2-disc Jesus Culture album features the Jesus Culture band including Kim Walker-Smith and Chris Quilala plus Jesus Culture artists Jake Hamilton, Kristene DiMarco, and Bryan & Katie Torwalt.
